'TOP 40' and
TROPHY WINNER

"Best Young Shiraz"

RIDGEVIEW 2006
'GENERATIONS' RESERVE SHIRAZ
HUNTER VALLEY

"'Generations' is our premium Reserve range celebrating the involvement of our parents, children and extended family in the creation of our wines" - Darren & Tracey Scott

The 2006 Reserve Shiraz is an intensely complex wine produced from exceptionally ripe, hand-selected fruit off our "Effen Hill" vineyard. It displays a deep purple/black hue and a complex aroma of blackberry, plums and spice. Tremendously concentrated cassis and spicy plum characters dominate the palate, together with a hint of chocolate and typical Hunter earthiness. The finish is long, luscious and intense with integrated ripe fruit, balanced tannins and French oak nuances. Although drinking well now, careful cellaring for 10+ years will accentuate complexity and finesse.
